## DR. BERNARD R. & EDNA M. SEARS ADAPTIVE HOCKEY PROGRAM

The Sears Adaptive Hockey Program at Spaulding Adaptive Sports Centers is dedicated to the growth of adaptive hockey for individuals of all ages and abilities in Eastern Massachusetts.

Now entering our fourth year, we are pleased to be offering: weekly community recreational sled hockey for youth and adults, exclusive youth play opportunities, and our Boston Shamrocks Sled Hockey team now competing as a B League team in the Northeast Sled Hockey League.
